6.1 Sidewalk and Walkway Inspection Policy

Presentation: Staff

Presentation to be distributed on-table.

The Manager of Operations gave a presentation titled " Sidewalk and Walkway Inspection Policy" and referred to slides contained within the on-table package.

The Committee was asked the following questions:

- are there locations (ie curb ramps, medians) that we should prioritize for repairs?
- we have more defects than we can fix - what types of defects should we prioritize? and
- are there other sidewalk maintenance issues that we should consider?

Committee discussion ensued regarding the following topics:

- the Sidewalk Accessibility Working Group;
- sidewalk grinding and hazard resource prioritization;
- tripping and child cycling hazards from edges with the direction of travel such as found on the Rocky Point Park walkway;
- defects in the transitions between sidewalks and cycling paths on St. Johns Street;
- the delineations between private and public property on sidewalks and the varying design requirements involved;
- the need for paving stone work in the Suter Brook neighbourhood;
- loco Road project including utility replacement and limited pedestrian improvements;
- locations on loco Road that are hazardous; and
- sidewalk damage prevention, enforcement, and education mechanisms.

TC26/007

THAT the 2026 Sidewalk Accessibility Working Group be formed and comprised of:

The following three members of the Transportation Committee:

- *Tarun Batra*
