Subject: Landmark Lighting - World Parkinson's Day

My name is Laura Halas, I am the Marketing and Communications Coordinator at Parkinson Society British Columbia (PSBC). In recognition of World Parkinson's Day this April 11, PSBC is partnering with landmarks and facilities across the province to light up for Parkinson's awareness. We would like to invite Port Moody to show its support for over 13,000 British Columbians living with Parkinson's, and help spread the message that no one is alone in their journey with this disease.

We sincerely thank you for your support of this campaign last year. Please consider lighting up the Inlet Centre Fire Hall & Civic Centre Brovold Room in teal and magenta again this April 11 to signify the colours of our community as represented by Parkinson Society BC. For over 50 years, our Society has served to empower people with Parkinson's and their loved ones by providing resources and tools for self-management, self-reliance, and self-advocacy. To learn more about the Society and World Parkinson's Day, visit [www.parkinson.bc.ca/awareness](http://www.parkinson.bc.ca/awareness).

If you require any additional information about our campaign, or have any questions about Parkinson Society BC, please let me know. We look forward to hearing from you.

Your support makes a difference. Thank you for your consideration.

Thank you,

**Laura Halas**
