**Subject:** Light Up City Hall Request from the Multiple Sclerosis Society of Canada

Good morning,

I am writing to put in a request on behalf of the Multiple Sclerosis Society of Canada to have the Port Moody City Hall to be lit up red on May 30, 2021 to commemorate World MS Day.

Canada has one of the highest rates of multiple sclerosis (MS) in the world. 90,000 Canadians live with MS and on average, 12 Canadians are diagnosed with the disease every day. For more information on the MS Society of Canada and MS, please visit <https://mssociety.ca/>.

Every May 30th, we celebrate global solidarity and hope for the future of people living and affected by MS through World MS Day. This year's theme is #MSConnections. For more info on this international event please visit: <https://worldmsday.org/>

Our office is located at Suite 1103-4720 Kingsway, Burnaby, BC V5H 4N2.

Thank you for your consideration.

*Therese*
