

Memorandum

Date: March 23, 2021
Submitted by: Finance and Technology Department – Financial Services Division
Subject: Funding Source – Moray Street Traffic Concerns and Proposed Traffic Calming Initiative Approach

At the Council meeting held on February 9, 2021, Council considered a report dated December 16, 2020 from the General Manager of Engineering and Operations regarding Moray Street Traffic Concerns and Proposed Traffic Calming Initiative Approach (**Attachment 1**) and passed the following resolution:

RC21/077

THAT requests for Traffic Calming Initiatives be reviewed, prioritized, and initiated as outlined in the report dated December 16, 2020, from the General Manager of Engineering and Operations regarding Moray Street Traffic Concerns and Proposed Traffic Calming Initiative Approach;

AND THAT a traffic calming study and concept design with public consultation be completed for Moray Street, including consideration of:

- reversing lane positioning, placing parking along eastern (sidewalk) side;
- adding a pedestrian crossing at Pinda Drive (stop sign, push-button lights, signal); and
- installing temporary curb bulges at key intersections, similar to Noons Creek Drive;

AND THAT a speed reader board or speed feedback lights be temporarily installed in the southbound direction on Moray Street in the interim;

AND THAT the budget requirement of up to \$30,000 for the Moray Street traffic calming initiative and up to \$3,000 for installation of speed feedback lights be referred to the Finance Committee for identification of a funding source.

The budget of up to \$33,000 for Moray Street traffic calming is now before the Finance Committee for identification of a funding source. Staff recommend the Asset Reserve as a funding source. The recommended resolution is:

THAT the budget of up to \$33,000 for Moray Street traffic calming be funded from the Asset Reserve as recommended in the memo dated March 23, 2021 from the Finance and Technology Department – Financial Services Division regarding Funding Source – Moray Street Traffic Concerns and Proposed Traffic Calming Initiative Approach.
