Subject: 2021 Neighbourhood House Week Proclamation Request

Good afternoon,

Attached please find a proclamation we requested and received last year regarding Neighbourhood House Week.

This year, Neighbourhood House Week is scheduled for May 2 – 8, 2021.

We are once again requesting a Proclamation from the City of Port Moody for Neighbourhood House Week 2021. The only change we are requesting to the attached proclamation will be the dates (noted above).

Please let us know if any further information is required. We thank you for your support.
