**Subject:** Light Up City Call

Hello there,

My name is Brittany and I work for Crossroads Hospice Society in the Tri-Cities. We are writing to request that on November 18<sup>th</sup>, Port Moody City Hall be lit up in blue for Children's Grief Awareness Day. Children's Grief Awareness Day is designed to help us all become more aware of the needs of grieving children — and of the benefits they obtain through the support of others. Children's Grief Awareness Day is an opportunity to make sure that grieving children receive the support they need.

As the leaders in grief support in our community, bringing awareness to grief is crucial. Please let me know if there's any additional information I can provide.

Thank you so much for your consideration,

**Brittany Borean**
