

City of Port Moody Report/Recommendation to Council

Date: June 22, 2021
Submitted by: Community Services Department – Recreation Services Division
Subject: 2022-2023 Community Services Fees

Purpose

To present the 2022-2023 Community Services Fees for Council's consideration.

Recommended Resolution(s)

THAT City of Port Moody Fees Bylaw, 2020, No. 3278, Amendment Bylaw No. 4, 2021, No. 3319 be read a first, second, and third time as recommended in the report dated June 22, 2021 from the Community Services Department – Recreation Services Division regarding 2022-2023 Community Services Fees.

Background

The determination of Community Services Fees is an annual process that involves deliberation by the Parks and Recreation Commission. Recommended fee rates are then presented to Council for consideration.

Discussion

Draft City of Port Moody Fees Bylaw, 2020, No. 3278, Amendment Bylaw No. 4, 2021, No. 3319 (**Attachment 1**) has been prepared for the 2022-2023 Community Services fees.

At the Parks and Recreation Commission meeting in April 2021, the Commission reviewed and determined the draft 2022-2023 Community Services fees. The Commission considered market factors, rental use by groups, the cost of providing the service and the impact of COVID-19. Comparable fees charged by neighbouring communities were also taken into consideration. In general, the fees were not increased over 2021 rates (**Attachment 2**). Recommendations include some changes to wording, increases to the Commercial Boot Camp, Boat Launch and Multisport Box fees, and streamlining the membership passes to a single pass. The streamlining of the membership passes results in the swimming, Kyle, and skate membership passes being combined with the Fitness membership at the Recreation Complex. Drop-in and 11 swipe fees for children are added to the Fitness membership, and a Super Senior category is added for ages 85 years and over to address the removal of the Kyle membership. This should decrease confusion between the passes and make it easier to pre-book drop-in programs with the membership pass.

Other Option(s)

THAT the proposed 2022-2023 Community Services Fees be returned to staff with direction for revision.

Financial Implications

The potential budgetary impact of Community Services Fee adjustments has been indicated in this report and the revenues from the revised fees will be incorporated into the draft Five-Year Financial Plan. As the revenue in Community Services depends on public use of the services provided, an exact budgetary impact of the fee adjustments is difficult to predict.

Communications and Civic Engagement Initiatives

The new fees and charges will appear on the City website as part of the updated Fees Bylaw.

Council Strategic Plan Objectives

The recommendation in this report aligns with the Council Strategic Plan Priority of Economic Prosperity.

Community Services

General

Policy

The City of Port Moody charges Fees for services provided by the Community Services Department. Fees are charged for recreation programs, use of City fields, and rental of facilities.

Fees may be changed without notice and shall be reviewed on a yearly basis and/or on an "as required" basis.

Criteria for the Establishment of Fees and Charges

The Fees and charges for each recreation service may be based on one or more of the following:

- staff costs;
- materials, supplies, and equipment costs;
- direct maintenance and repair costs;
- cost recovery ratios established for the facilities;
- comparable charge rates for similar services offered by commercial outlets and other municipal organizations;
- status of the user or group of users as to their residence requirements; and/or
- financial ability of the user or group of users to pay for leisure services.

Within the constraints of the established fees and charges, the Community Services Department may adjust those fees and charges relating to general recreation programs in order to reflect the increases or reductions in the cost of such services as they occur.

Effective Dates

The proposed rates are in effect January 1, 2022 to December 31, 2022 unless otherwise noted.

Recreation Programs

Program Fees and Charges

Fees and charges for all recreation programs are established on the basis that the fees from a minimum number of program participants will offset the direct costs of the program. Direct costs include: instructor, program supplies, program equipment, bus rental, refreshments, etc.

Subsidized program services may be provided to a specific population such as youth and seniors.

Access Pass and Fee Reduction for Programs

A fee subsidy is available to Port Moody residents for admissions and programs provided that the participant meets the criteria for proof of residency and proof of financial need. A 50% reduction in the advertised cost of the program or admission is available in accordance with the Leisure Access Policy. In exceptional circumstances, a greater subsidy may be provided at the discretion of the General Manager of Community Services.

Provincial and National Ranked Athletes

Carded athletes will be granted free access to the Recreation Complex's weight room. In exchange, these athletes may be requested to act as ambassadors for the City of Port Moody in promoting physical activity and health.

Refund Policy

No refund or credit will be issued on withdrawal of a program after the second session. Refunds will only be issued if a participant is unable to take a program they have registered for due to illness, class cancellation, or other extenuating circumstances.

Withdrawal Fee

A withdrawal fee of \$10.00 will be charged to anyone who withdraws from a program less than eight (8) days before the start of a program. This fee will be charged until the end of the second class. No refunds are granted after the end of the second class. This fee has been implemented to keep more registration spots open and deter individuals from registering for more programs than they intend to use.

Community Services

Waiver of Rental Fees

Rental fee waiver applications will only be received from non-profit Port Moody groups or organizations whose membership consists of a majority of Port Moody residents.

Groups will be limited to one (1) rental fee waiver per calendar year to a maximum value of \$367.00.

The fee waiver is applicable to the facility rental fee only and does not include any other event related expenses such as staffing costs, liability insurance, and SOCAN Fees.

All requests for fee waivers must be received by the Community Services Department a minimum of one (1) month in advance of the event. Confirmation of the facility booking, group roster, and the most current financial statement of the organization are to accompany the rental fee waiver application.

The General Manager of Community Services will review all applications for eligibility and approve those that meet the established criteria.

Damage Deposit

A refundable damage deposit bond is required for all social functions and tournaments booked at any Community Services Department facility. Damage deposits must be paid by any group receiving fee waivers.

Refund of Damage Deposits

Damage deposits will be returned to renters as soon as possible after the event, subject to any possible deductions noted below.

Damage deposit for all social functions is \$500.00. Exception: New Year's Eve is \$600.00. Damage deposit for special events is \$250.00/day to a maximum of \$500.00/event.

Charges for staff overtime resulting from failure of an event to end on time will be charged against the damage deposit at the rate of \$60.00 for each hour, \$30.00 for each 1/2 hour or portion thereof.

Charges for lost or damaged equipment or damage to the facility, assessed at replacement or repair cost, will be deducted from the damage deposit. Assessment of damages will be made by maintenance staff.

Market Value Rate

In extenuating circumstances where the "non-prime time" rental rate may not be competitive with market rates, the General Manager of Community Services may approve a special one-time rate based upon the current market value of the rental at that time. Current market value will be deemed to have considered rates charged by neighbouring communities and private business.
