Subject: Illumination request

Hi there,

We are making requests to city landmarks that have illumination to support us in bringing awareness to suicide prevention on September 10th, World Suicide Prevention Day. We have a number of places supporting us in Vancouver, Port Coquitlam and Coquitlam and would love for Port Moody to join us! Our request is to light up yellow or yellow and orange if possible as these are the colours of suicide prevention. Let me know if you need anything else for this illumination request for September 10th, 2021.

Thank you so much.

Kind regards,
