**Subject:** Light up for Endometriosis Awareness Month March 2022

Hi Tracey,

Hope this email finds you well. Alexis from The Endometriosis Network Canada and I have been working together to raise awareness for Endometriosis across Canada by asking monuments to light up in yellow in support of Endometriosis Awareness Month in March.

We would like to submit a request to the City Hall of Port Moody to light up for Endometriosis Awareness on March 26 2022.

We are hoping to coordinate the light display for various venues on that date; I did take a look at your schedule for this year and saw that City Hall had lit up in purple on March 26 for epilepsy awareness. If March 26 2022 is already booked, we are wondering if we can request City Hall to light up in yellow for Endometriosis on March 27 2022.

Thank you so much for your time & consideration.

Sincerely,

Roop Bassra, RN
