It is our intention, depending upon any Provincial Health restrictions, to hold a full and complete traditional Festival.

Details of Request:

We are seeking a discussion in respect to continued financial support from the City in holding the Festival.

We are also wanting to extend an invitation to the City to once again partner with us in participating on-site in the Canada Day celebration during daytime programming hours.

As in year's past, would the City please consider sponsoring the Headliner act for the Canada Day evening performance.

Additional Information in Support of Request:

We are looking towards renewing the focus of the Festival to have a stronger emphasis on cultural diversity and additional interactive activities for families during daytime programming hours. We will keep the City apprised of the details as we are able to secure them and look forward to making a further presentation in the early parts on June.
