**Subject:** RE: Public Works Week Declaration

Dear Mayor and Council,

The Engineering & Operations, and Environment and Parks Departments would like to request that “National Public Works Week, May 15 – 21, 2022” be officially declared with the following, proposed wording:

National Public Works Week  
May 15 – 21, 2022  
“Ready and Resilient”

WHEREAS, the year 2022 marks the 62<sup>nd</sup> annual National Public Works Week, which is themed “Ready and Resilient.” Port Moody Council recognizes the substantial contributions of all Public Works professionals whose ready and resilient efforts provide the infrastructure of a sustainable and resilient community. Public Works are vital to the public health, high quality of life and well-being of the residents of Port Moody. Services provided by the dedicated public works teams include building, improving, maintaining and protecting our City’s water supply, waste water and storm water management, solid waste and recycling systems, parks, trails, gardens and all of the surrounding environment that serves our citizens. **The City of Port Moody** hereby designates the week May 15 – 21, 2022 as National Public Works Week.

Thank you,

Donna Bucsis  
Solid Waste & Recycling Coordinator
