

City of Port Moody

Report/Recommendation to Council

Date: April 27, 2022
Submitted by: Community Development Department – Policy Planning Division
Subject: Termination of Land Use Contract at Angela Drive and Rezoning to RS1-S and RS1

Purpose

To present Bylaw No. 3351, Bylaw No. 3354 and Bylaw No. 3355 for consideration of first and second readings to repeal the Land Use Contract (LUC) at Angela Drive and to rezone this LUC area to RS1-S and RS1.

Recommended Resolutions

THAT City of Port Moody Land Use Contract Termination Bylaw, 2022, No. 3351 (Angela Drive), City of Port Moody Zoning Bylaw, 2018, No. 2937, Amendment Bylaw No. 68, 2022, No. 3354 (Angela Drive) (RS1), and City of Port Moody Zoning Bylaw, 2018, No. 2937, Amendment Bylaw No. 69, 2022, No. 3355 (Angela Drive) (RS1-S) be read a first and second time as recommended in the report dated April 27, 2022 from the Community Development Department – Policy Planning Division regarding Termination of Land Use Contract at Angela Drive and Rezoning to RS1-S and RS1;

AND THAT Bylaw No. 3351, Bylaw No. 3354 and Bylaw No. 3355 be referred to a Public Hearing;

AND THAT the requirement to notify tenants and property owners within 140m of the perimeter boundary of the LUC area per Development Approval Procedures Bylaw, No. 2918 be waived.

Background

A land use contract (LUC) is a legislative tool that was used in the 1970s that encompasses a wide range of land uses and development components, until it was repealed in 1978. LUCs are site-specific contracts between the City and the property owner that are registered on title and operate as the governing land use tool for affected properties.

In May 2014, the *Local Government Act* was amended by Bill 17 to:

- automatically terminate all Land Use Contracts (LUCs) in BC on June 30, 2024;
- require municipalities to zone all lands subject to an LUC by June 30, 2022; and
- outline a process for local governments to undertake early termination of LUCs to ensure appropriate zoning is in place.

Considered at the Regular Council Meeting of May 10, 2022

161

The new provincial legislation provides a process for the City to undertake early termination of LUCs to ensure that appropriate zoning is in place before the provincially-mandated deadline.

On March 12, 2019, Council endorsed an approach for the termination of land use contracts to minimize anticipated costs through a hybrid approach. This approach involves the following:

1. LUCs for properties with suitable underlying zoning being left to expire; and
2. other properties being rezoned (beginning 2020).

At the October 13, 2020, Special Council meeting, the following resolution was passed:

RC20/363

THAT staff be directed to reorder the Land Use Contract Terminations process to prioritize single-family lots, and areas of town that have experienced zoning issues (large homes, view corridors, etc.) in the recent past;

AND THAT this reordering be referred to the House Size and Siting Task Force for comment prior to returning to Council.

At the January 20, 2022, House Size and Siting Task Force meeting, staff recommended a proposed approach and schedule to address five remaining single-family LUC areas.

At the February 15, 2022, Special Council meeting, the following resolution was passed:

CW22/012

THAT staff be directed to proceed with the termination of the Land Use Contracts and rezoning of the properties at Walton Way/Benson Drive, Angela Drive, and Appleyard Court as outlined in the report dated January 17, 2022, from the Community Development Department – Policy Planning Division regarding Single-Family Land Use Contracts.

Discussion

13 properties located at 209-257 Angela Drive are recommended to be rezoned to RS1-S which is consistent with the LUC provisions related to house size, lot size and dimensions, and setbacks. The two properties located at each end of Angela Drive, 261 and 205 Angela Drive respectively, are recommended to be rezoned to RS1 as these lots are larger in size and better match the provisions of the RS1 zone.

Notification letters were mailed Angela Drive properties on February 18, 2022, notifying all property owners and tenants of the land use contract on the property, of the proposed rezoning to the RS1-S zone, and information meeting scheduled on March 8, 2022. One RSVP was received and no participants attended the information meeting. Notification signs were posted on the property prior to the information meeting inviting public comments and providing an email contact for inquiries. The presentation was also posted on the City's LUC website.

A summary of the land use contract and affected properties is outlined in *Table 1*. The location map and Land Use Contract for Angela Drive is included as **Attachment 1**. **Attachment 2** and

LUC Termination Bylaw and Rezoning Bylaws

To facilitate early termination of the LUC for Angela Drive and to rezone the properties to RS1-S and RS1, draft City of Port Moody Land Use Contract Termination Bylaw, 2022, No. 3351 (Angela Drive) is included as **Attachment 4**. Draft City of Port Moody Zoning Bylaw, 2018, No. 2937, Amendment Bylaw No. 68, 2022, No. 3354 (Angela Drive) (RS1) is included as **Attachment 5**. Draft City of Port Moody Zoning Bylaw, 2018, No. 2937, Amendment Bylaw No. 69, 2022, No. 3355 (Angela Drive) (RS1-S) is included as **Attachment 6**.

Process to Address a Hardship Concern

If a property owner believes that the timing of the early LUC termination would cause hardship, an application can be made to the Board of Variance for consideration of an exemption under Section 533 of the *Local Government Act*. The Board of Variance may allow provisions of the LUC to continue to apply (no later than June 30, 2024). Application for exemption must be received within six months after the adoption of the LUC Termination Bylaw. Existing buildings and structures which were lawfully built will have legal non-conforming protection under Division 14 of the *Local Government Act*.

Should an LUC Termination Bylaw proceed, a letter is sent to each affected property owner advising them of this provision and the associated timelines.

Timeline and Next Steps

To rezone the properties at Angela Drive to RS1-S and RS1, the City will follow its established rezoning process as well as provincial LUC termination requirements, which include:

- notification letter to property owners (February 18, 2022);
- information meeting (March 8, 2022);
- Council to consider first and second readings of LUC Termination Bylaw and the related Zoning Bylaw amendments to rezone the properties to RS1-S and RS1 zone (May 10, 2022);
- Public Hearing (date TBD);
- Council to consider third reading and adoption of the Zoning Amendment and LUC Termination Bylaws (date TBD), but will need to occur prior to June 30, 2022;
- notification of outcome to property owners (date TBD);
- one-year waiting period (LUC continues to be in effect during this waiting period);
- LUC Termination Bylaw and new zoning comes into effect after the one-year waiting period; and
- LUC notation is removed from property owner's Certificate of Title.

Notification Recommendation

Section 11 of the City's Development Approval Procedures Bylaw No. 2918 requires notification of a proposed rezoning to all owners and tenants in occupation of each parcel of land which is the subject of the proposed Bylaw and to all registered owners of property and tenants in occupation of property within 140m of the perimeter boundary of the parcel. Given that the rezoning of the LUC affected properties does not involve any new development on the site, staff propose that the notification requirement for properties within a 140m radius of the rezoning site be waived. Notification to the owners and tenants of the LUC properties would continue.

This approach is consistent with the notification process associated with the June 9, 2020 Public Hearing for the LUC termination and rezoning of Sentinel Hills, Inlet View, Eagle Point, Easthill, and Highland Park, as well as for a similar Public Hearing on October 12, 2020 for Balmoral Place.

Other Options

THAT the Land Use Contract associated with the properties at Angela Drive be left to expire leaving the existing underlying zoning of RS1 in place until the provincial deadline of June 30, 2024.

Financial Implications

The costs associated with the Public Hearing notifications and the discharge of the Land Use Contract at the Land Title and Survey Authority will be covered by the land use contract termination operating budget, which is funded from the Council Strategic Priorities Reserve.

Communications and Civic Engagement Initiatives

If Bylaw No. 3351, Bylaw No. 3354, and Bylaw No. 3355 proceed to a Public Hearing, notification will occur in accordance with the requirements set out in the City's Development Approval Procedures Bylaw, No. 2918 and the *Local Government Act*, with the exception of the

notice to surrounding areas within 140m of the perimeter boundary of the rezoning site, should this requirement be waived.

Council Strategic Plan Objectives

The information and recommendations contained in this report align with the Council 2019-2022 Strategic Plan Objectives of Exceptional Service and Community Evolution.
