Hi Tracey, that would have helped I guess, lol.

Blue please.

Thanks.

Jason

Importance: High

Hi Jason,

In your request below, you didn't mention the colour that you are requesting the lights to be illuminated. Can you please clarify? Thank you.

Subject: City Hall Lights for World Wish Day April 29

Good afternoon,

I would like to request the lights at City Hall to commemorate World Wish Day, Saturday, April 29, 2023.

Make-A-Wish traces its inspiration to Christopher James Greicius, an energetic 7-year-old boy battling leukemia who wished to be a police officer in 1980, Chris Greicius' family and friends

came together to help grant his wish 'to be a police officer'. Little did Chris know that his wish would create a movement that would transform millions of lives.

Today, Make-A-Wish has been granting life-changing wishes for children with critical illnesses for 42 years, in nearly 50 countries across 5 continents all over the world. More than 520,000 wishes have been granted since then.

Every year, Make-A-Wish chapters and affiliates come together in celebrating World Wish Day on April 29, the anniversary of the wish that inspired the founding of Make-A-Wish. When you help grant a wish, you restore hope for a child and improve their mental well-being. A wish is a turning point in a child's medical journey that opens the door to exciting possibilities. You empower them to reclaim their childhood, and experience transformative joy.

Please reach out if you have any questions or require additional information.

Thank you for the consideration.

Jason
