Project Descriptions

Extending the Skate shop with around 300 sqft

Construction to include demolition of one or two brick walls– to be approved by the structural engineer , adding two walls with an 10 foot wide opening gate , lower, wider counter, rubberized counter top.

Open shelving, rails on the wall with hanging baskets, highly visible, all forms, modular all different sizes, held first aid.

Adding 6 electrical outlets and data

Provide proper space for the sharpening machine .

Lighting to be converted to LED

Adding around 500 cubies

This will increase the safety of our employees and customers
