.....
Summer Sundays Concerts are award winning free outdoor family, live music events held for 8 weeks every Sunday afternoon in July and August in Port Moody's attraction filled, scenic waterfront Rocky Point park. Having started in 2007, 2023 will be our 15th consecutive year in operation with the exception of the 2 years of covid lockdowns. These concerts retain their high level of popularity through the consistently top calibre, high energy professional tribute, R&B, soul, funk, rock and blues bands that perform every Sunday. We attract audiences that have grown to a conservative estimate of in excess of 15,000 lovers of live music. Totally administered by volunteers with musical, show production and business backgrounds, all sponsorship funds are exclusively directed to covering the costs of bands and production, maximizing the calibre of talent for dollars spent. With the City of Port Moody as partner, transparency is insured by having them process all financial transactions. In addition, the city provides Rocky Point Park and associated services at no charge further maximizing the calibre of talent we are able to obtain for available sponsorship dollars. Since our concerts are free, we invite donations to Crossroads Hospice Society, the local charity our audiences have been supporting since the beginning having raised over \$50,000 so far.

~~**Request for Financial Support:**~~

Describe how the City grant will be used in presenting your event:

Summer Sundays presently borrows two white canopies from the city, one with walls for all our concerts which we are permitted to keep in our possession for the duration of each year's concerts. The one with walls is used behind the stage as a band dressing room, the other beside the stage from which we provide audience interaction. We would like to purchase 2 custom canopies with Summer Sundays logos to reduce inconvenience to the city of having to provide these and create a sharper, more vivid exposure in the park for Summer Sundays Concerts at our shows.
