## Corporate Policy Manual

### Electronic Meeting Participation Requirements

## Policy

This policy sets out the requirements for participating in City business related Electronic Meetings conducted (wholly or as a hybrid meeting) by means of electronic or other communication facilities (for Council and Committee meetings, this is per section 9(1) of the Council Procedure Bylaw). This policy differentiates emergency electronic meetings from electronic meetings in general to allow for fewer participation requirements in emergency situations.

## Definitions

**Attendee** refers to a person invited to attend and observe an Electronic Meeting and may apply to persons from external organizations/municipalities, staff, the public, etc.

**Designated Platform** refers to the meeting systems and software specified by the Information Services Division, which may change from time to time. The City currently uses Zoom Meetings, Zoom Webinars, Microsoft TEAMS, and eScribe.

**Electronic Meeting** refers to a meeting of City business, Council, or Council Committee conducted (wholly or as a hybrid meeting) by means of electronic or other communication facilities. In this Policy, Electronic Meeting, in the context of a Council/Committee meeting, refers to such meetings for which notice is provided a minimum of two and a half working days prior to the meeting, and excludes such meetings for which notice is provided with less than two and a half working days' notice. Council meetings for which notice is provided with less than two and a half working days' notice are considered Emergency Electronic Meetings.

**Emergency Electronic Meeting** refers to a meeting of Council or Council Committee wholly conducted by means of electronic or other communication facilities per section 9(1) of the Council Procedure Bylaw for which notice is provided less than two and a half working days prior to the meeting.

**Member** refers to a member of Council or a member of a committee or an advisory body of Council (e.g.: Board, Task Force, etc.).

**Participant** refers to a member of the Council, Committee/Advisory Body, or invited person that is participating in a meeting to facilitate the business of the meeting agenda.

**Videoconferencing** refers to holding a meeting with participants in distant locations taking part by means of electronic sound and video communication, through which participants can see and hear one another.

**Corporate Policy Manual**  
Electronic Meeting Participation Requirements

## Participation Requirements

### 1. Electronic Meetings in General

- 1.1. Electronic Meetings will be held by videoconferencing.
- 1.2. Participation in Electronic Meetings solely by telephone is prohibited; however, Members may choose to use the telephone audio function as a substitute for the computer audio function while simultaneously using a computer, a tablet, or a smart phone app to participate in the videoconference.
- 1.3. Individual Members may participate electronically in Regular and/or Closed Council meetings conducted in a hybrid format for a total of no more than four (4) days per year. Approval from the Mayor or their designate is required to exceed this limit.
- 1.4. Members participating in Electronic Meetings must have functioning audio and must be visible and able to both hear and see other Members at all times during a meeting.
- 1.5. While a Member is attending an Electronic Meeting, the video feed must be on at all times. Interruptions of the video feed caused by technical difficulties will be allowed provided that they notify the Clerk and/or Chairperson and are temporary in nature and not lasting more than two minutes at a time.
- 1.6. A Member may leave and enter an Electronic Meeting without limits, except for those that may be set out in the Council Procedure Bylaw.
- 1.7. A Member who declares a conflict of interest must leave the meeting either by disconnecting from the meeting or by being placed into the waiting room; the Member will be readmitted to the meeting once the conflict item is concluded.
- 1.8. The location from which a Member is participating remotely must be free from background sounds, movements, images, and words that may interfere with the intelligibility of the Member's speech or distract other participants or viewers. When the Member is not speaking, no sound should be transmitted.
- 1.9. Blurred or virtual backgrounds may not be used in closed Electronic Meetings.
- 1.10. City of Port Moody Council and staff are permitted to use the approved corporate virtual backgrounds or blurred backgrounds in open meetings. Members (e.g.: Council or Committee members) or external meeting participants (e.g.: another municipality) may use blurred backgrounds or a corporate virtual background. Advertising is not permitted on virtual backgrounds. The Chairperson or meeting administrator holds the right to request backgrounds be turned off with cause.
- 1.11. This section applies to all Electronic Meetings, including open and closed meetings of Council and open and closed meetings of Committees, Commissions, and Boards.

### 2. Closed Electronic Meetings

- 2.1. The location from which a Member is participating remotely in a meeting that is closed to the public must be secured against access by anyone other than the participant.
- 2.2. In the case of unauthorized access to a Member's closed meeting location, that Member must immediately disconnect from the meeting or be placed into the waiting room by the meeting chair or meeting administrator. Once the Member has re-established the security of the location, the Member may rejoin the meeting or, if placed into the waiting room, notify the meeting chair or meeting administrator of their readiness for readmission.

**Corporate Policy Manual**

Electronic Meeting Participation Requirements

3. Emergency Electronic Meetings

- 3.1. An Electronic Meeting called without a minimum of two and a half working days' notice is considered an Emergency Electronic Meeting and shall not be subject to the same participation requirements as Electronic Meetings in general.

4. Waiving Electronic Meeting Participation Requirements in Case of Emergency

- 4.1. Under extenuating circumstances, such as existing or foreseeable large-scale infrastructure failure affecting a majority of meeting participants, the Corporate Officer may suspend this policy by including the notification of the suspension of this policy in the notice of meeting, regardless of whether the notice of meeting is given two and a half working days prior to the date of the meeting.

**Monitoring/Authority**

This policy is to be administered and monitored by the Legislative Services Division. Changes to this policy must be approved by Council.
