## Report/Recommendation to Council

Date: February 13, 2024  
Submitted by: Engineering and Operations Department – Infrastructure Engineering Services  
Division  
Subject: 2024 Work Plan – Transportation Committee

---

### Purpose

To seek Council approval for the 2024 Transportation Committee Work Plan.

---

### Recommended Resolution(s)

**THAT the 2024 Transportation Committee Work Plan be approved as recommended in the report dated February 13, 2024, from the Engineering and Operations Department – Infrastructure Engineering Services Division regarding 2024 Work Plan – Transportation Committee.**

---

### Background

Per the Council Committee System Policy, Committees are required to submit an annual Work Plan for Council approval.

### Discussion

At its January 2024 meeting, the Transportation Committee staff liaison presented the 2024 draft Work Plan to the Committee. The Committee was supportive of the Work Plan, as presented by staff with one addition, and this draft Work Plan is now presented to Council for approval.

The draft 2024 Transportation Committee Work Plan is included as **Attachment 1**.

### Other Option(s)

THAT the proposed 2024 Transportation Committee Work Plan contained in the report dated February 13, 2024, from the Engineering and Operations Department regarding the 2024 Work Plan – Transportation Committee be amended as directed by Council.

### Financial Implications

Some 2024 Work Plan items may require funding and further approvals. The Transportation Committee will submit a report to Council at the appropriate time for projects requiring funding and further approvals and will recommend a budget and funding source at that time.

## Communications and Public Engagement Initiatives

No communications or public engagement initiatives are required with the approval of the Work Plan. Should any communications and public engagement initiatives be required as part of a Work Plan item, the Transportation Committee will submit a report to Council at the appropriate time.

## Council Strategic Plan Goals

The proposed work plan aligns with the following Council Strategic Plan Goals:

- Strategic Goal 2.2 – Advance climate change mitigation and adaptation; and
- Strategic Goal 3.2 – Provide safe, efficient, and accessible transportation options.

## Attachment(s)

1. Draft 2024 Transportation Committee Work Plan.

## Report Author

Nobinur Rahman, P.Eng.  
Transportation Engineer
