Description of Event:

United Way BC Day is an opportunity to show that you are united for people in need, supporting the development of healthy, caring, and inclusive communities by strengthening vital connections. United Way BC Day celebrates the official launch of our 2024 Fall Campaign on September 12, 2024.

United Way British Columbia is a leader in the non-profit sector, convening non-profit partners, residents, businesses, all levels of government, volunteers, and funders to work collaboratively to find local solutions to complex issues. United Way British Columbia works to move people from poverty to possibility with on-the-ground staff, local love grants, and programming for all ages – from seniors to youth. United Way BC Day celebrates the community work, initiatives, and programs in The City of Port Moody, including the TriCity Regional Community Food Hub, Better at Home to support the independence of seniors, School's Out programs, and the Men's Shed Project Grant.

Wear red to the office or to one of our official Kick-off Breakfast events in your community. Light your building up in red, add a red carpet at your door, or decorate your window to show your support. We can't wait to see your creativity! Don't miss out! Join us for a Kick-off Breakfast in your community or host your own.

Please let me know if you need anything else!

Sincerely,
Julia Jachimowicz
