**Subject:** Re: Request to Light Up City Hall Green - November 6th, 2024

Hello,

I'm pleased to reach out to you on behalf of the team at 4-H Canada to inquire about lighting Port Moody City Hall in green on Wednesday, November 6th, 2024 for Show Your 4-H Colours Day. Your participation would be very meaningful to our 4-H youth, volunteers, and supporters.

For over 110 years, 4-H has been one of the most well-respected youth-service organizations in Canada. 4-H has given youth opportunities to "Learn To Do By Doing" through a dedicated group of volunteer leaders and mentors who deliver world-class positive youth development programming in the areas relevant to today's youth. As a 4-H member of 10 years, I recognize the importance of this youth program in my personal and leadership development and would love to see this city light up green to show support for this incredible organization.

Each November, the Show Your 4-H Colours campaign promotes the wearing of 4-H green by 4-H members, leaders, alumni, and supporters. This initiative aims to unite individuals in raising awareness about the positive contributions of the 4-H program in both Canada and beyond. This celebration highlights the incredible things 4-H youth are doing in their communities and how the 4-H program is creating responsible, caring, and contributing young leaders.

You can find more information about this year's campaign at <https://showyour4hcolours.ca/>.

If confirmed, we'll promote your participation on our website and on our social media channels. You can find us as @4hcanada on all social media channels and will be using the hashtag #ShowYour4HColours.

Thank you for your time,

--

~Victoria Pitsiaeli
