Moved, seconded, and CARRIED

**5. Unfinished Business**

**6. New Business**

**6.1 Port Moody Police Department**

Presentation: Constable Sam Zacharias, Port Moody Police Department  
Presentation to be distributed on-table.

Mitchell Eve joined the meeting at this point.

Constable Sam Zacharias gave a presentation entitled "Transportation Committee - October 16, 2024" and referred to the slides contained within the on-table package.

Committee discussion ensued regarding the following topics:

- personal experiences with Port Moody Police Department;
- intersection violations due to enforcement and red-light intersections;
- ability to renew insurance on your own or removal of decals leading to possible reduction in tickets;
- reason for removing the insurance decal;
- collaboration of city staff and police regarding areas of enforcement resulting from complaints received at City Hall;
- enforcement of alternative modes of transportation, i.e., e-bikes and e-scooters; and
- benefit of a municipal department over a RCMP department. Ended: 7:50pm

## 6.2 Road Safety in Our Community

Presentation: Kathleen Nadalin, Road Safety and Community Coordinator  
Presentation to be distributed on-table.

Constable Vincent Traietti left the meeting at this point and did not return.

Kathleen Nadalin gave a presentation entitled "ICBC Road Safety and Community Engagement" and referred to the slides contained within the on-table package.

Committee discussion ensued regarding the following topics:

- new design for reflective merchandise; and
- community impact of advertisements and road safety videos.

## 6.3 Phase 2 Public Engagement Results for Master Transportation Plan

Verbal Report: Transportation Engineer

The Chair provided a verbal report regarding an overview of the discussion from the September 2024 Transportation Committee meeting and next steps. The Transportation Engineer provided a verbal report regarding the additional comments received from committee members via email since the September 2024 Transportation Committee meeting.

Committee discussion ensued regarding the following topics:

- clarification requested on the recommendation;
- value of gradual implementation; and
- concern regarding utilization of incentives for e-bikes.

TC24/031

*THAT the Transportation Committee recommends:*

*THAT the Phase 2 Public Engagement Results for the Master Transportation Plan and the refined Big Moves ideas be endorsed with amendment to include e-bike purchase incentive back in big move.*

Moved, seconded, and CARRIED

(Voting against: Jonathan Baker and Nadia Olynyk)

## 7. Information

### 7.1 Staff Updates

The Transportation Engineer provided an update regarding intersection improvements at Dewdney Trunk Road/St Johns Street and the Upper Noons Creek Drive Traffic Calming Project.

The General Manager of Engineering and Operations provided an update regarding the Barnet Highway paving project and items on the 2024 Transportation Committee Workplan.

**8. Adjournment**

The Chair adjourned the meeting at 8:50pm.
