Report/Recommendation to Council

Date: February 10, 2026
Submitted by: Engineering and Operations Department – Infrastructure Engineering Services
Division
Subject: 2026 Work Plan – Transportation Committee

Purpose

To seek Council approval for the 2026 Transportation Committee Work Plan.

Recommended Resolution

THAT the 2026 Transportation Committee Work Plan be approved as recommended in the report dated February 10, 2026, from the Engineering and Operations Department – Infrastructure Engineering Services Division regarding 2026 Work Plan – Transportation Committee.

Background

Per the Council Committee System Policy, committee terms begin in January and end in November though for 2026, the term will end in October. Work Plans are required to be submitted for Council approval.

Discussion

At its January 2026 meeting, the Transportation Committee discussed potential Work Plan items based on topics from 2025 and new activities for 2026.

The draft 2026 Transportation Committee Work Plan is included as **Attachment 1**.

Other Option(s)

THAT the proposed 2026 Transportation Committee Work Plan attached to the report dated January 27, 2026, from the Engineering and Operations Department – Infrastructure Engineering Services Division regarding 2026 Work Plan – Transportation Committee be amended as directed by Council.

Financial Implications

Some 2026 Work Plan items may require funding and further approvals. The Transportation Committee will submit a report to Council at the appropriate time for projects requiring funding and further approvals and will recommend a budget and funding source at that time.

Communications and Public Engagement Initiatives

No communications or public engagement initiatives are required with the approval of the Work Plan. Should any communications or public engagement initiatives be required as part of a Work Plan item, a report will be submitted to Council at the appropriate time.

Council Strategic Plan Goals

The recommendations in this report align with the following Council Strategic Plan Goals:

- Strategic Goal 2.2 – Advance climate change mitigation and adaptation; and
- Strategic Goal 3.2 – Provide safe, efficient, and accessible transportation options.

Attachment(s)
