

To whom it may concern:

Re: Letter of support for Port Moody Arts Centre Society (PoMoArts) Visitor Centre 2026-2029

Established in 1998, PoMoArts is a not-for-profit organization that creates art experiences to engage, challenge, and awaken opportunities for connection, and provides art education, exhibitions, and community art experiences in the City of the Arts with various partners and artists each year.

In 2025, the City of Port Moody endorsed PoMoArts' application to become a Visitor Centre and was pleased to see it granted this status.

The City of Port Moody continues to be in support of PoMoArts as the sole provider of Visitor Services for the period of 2026-2029.

Sincerely,

Mayor Meghan Lahti
