

# WILDLIFE ATTRACTANT

Managing access to garbage and other attractants is the most important action to take to keep people and bears safe in our community. **Store garbage, green waste, and recycling carts in a garage or enclosure.** Lock your carts on non-collection days. Place your carts at the curb between 5:30am and 7:30am on your collection day. Failing to comply with the City's Solid Waste Bylaw is subject to a minimum \$500 fine.

Find information on managing attractants at [portmoody.ca/beaessentials](https://portmoody.ca/beaessentials).
