Moved, seconded, and CARRIED

THAT the minutes of the Climate Action Committee meeting held on Monday, June 24, 2019 be adopted.

3. Unfinished Business

4. New Business

Additional Meeting Date Confirmation – September 9, 2019

- 4.1 Staff requested confirmation from the Committee for an additional Committee meeting to be held on September 9, 2019 to review feedback from the Climate Action Open House.

The Committee confirmed the date and their availability for the additional meeting.

Car Free Day – Call for Volunteers

- 4.2 Staff requested Committee volunteers for the Third Annual Car Free Day on August 18, 2019.

A volunteer sign-up sheet was provided to Committee members.

Climate Action Plan Risk and Vulnerability Matrix Workshop

- 4.3 Laura gave a presentation regarding the Climate Action Plan Vulnerability and Risk Assessment Workshop:

- a Low Carbon Resilience (LCR) approach will be used to evaluate adaptation and mitigation strategies, where the goal is to achieve low climate vulnerability and low emissions;
- there is an opportunity to reduce climate impact beyond the year 2050; and
- an integrated approach ensures that all aspects of climate change are addressed.

The Committee assessed the vulnerability and adaptive capacities of four categories of climate impact scenarios and statements.

The Committee then assessed the likelihood and consequences of future climate impacts and ranked them on the risk spectrum (from low, med-low, med-high, to high).

Staff reviewed the next steps of the Climate Action Plan.
