

City of Port Moody

Report/Recommendation to Council

Date: October 28, 2019
Submitted by: Environmental Protection Committee
Subject: Energy Step Code Corporate Rezoning Policy

Purpose

To request that Council focus on the low-carbon energy system solution in the Energy Step Code Corporate Rezoning Policy.

Recommended Resolution

THAT the report dated October 28, 2019 from the Environmental Protection Committee regarding Energy Step Code Corporate Rezoning Policy be received for information.

Background

At the Environmental Protection Committee meeting held on October 21, 2019, the Committee received a presentation from staff regarding Energy Step Code Implementation and the following resolution was passed:

EPC19/016

THAT the Environmental Protection Committee encourage Council to focus on the low-carbon energy system solution in the Energy Step Code Corporate Rezoning Policy.

Discussion

Staff provided an overview of the Energy Step Code and the proposed updates to the Corporate Policy for Rezoning. The Environmental Protection Committee discussed the options and concluded that the focus should be on the low-carbon energy system solution.

Other Option(s)

This report is provided for information only. No other options are being presented.

Financial Implications

This report is provided for information only. There are no financial implications associated with receiving this report.

Communications and Civic Engagement Initiatives

There are no communications and civic engagement initiatives associated with this report.

Council Strategic Plan Objectives

Supporting the low-carbon energy system solution in the Energy Step Code Corporate Rezoning Policy aligns with the 2019-2022 Council Strategic Plan Objectives of:

- maintain and enhance Port Moody's natural and built assets while reducing the impact on our planet;
- expand and enhance policies to guide environmental goals and sustainability programs; and
- provide leadership in climate change by thinking globally and acting locally.
