Subject: Delegation Response – Rotary Club of Port Moody Regarding Ribfest

At the October 15, 2019 Special Council (Committee of the Whole) meeting, Council received a delegation from the Rotary Club of Port Moody regarding Ribfest. 2019 was the final year of a three-year funding agreement between the Rotary Club and the City, with an annual value of \$35,000. The Rotary Club thanked Council for their continued support and requested to enter into another three-year funding agreement with the same annual funding value of \$35,000.

The \$35,000 grant is used to support the event in three key areas:

- \$12,400 – staff support for site maintenance and repairs during and after the event, as well as supporting the waste management plan;
- \$6,800 – police support during the event; and
- \$15,800 – site support through the rental and servicing of toilets, rental of grey water management system, waste bin rentals, and removal of waste from the site.

Ribfest has proven to be a very popular event and appears to draw larger crowds each year. In 2019, staff worked with the Rotary Club to introduce a sixth Ribber and a vegetarian/vegan rib option to the event in order to better serve attendees. An event of this size does pose challenges for the park, and wear and tear to the park is expected. Staff and the Rotary Club continue to develop ideas and solutions to minimize the expected wear and tear, and to minimize the potential for accidental damage to the park. Staff have no concerns with the continuation of this event.

In addressing the Port Moody Rotary Club's request, Council may choose to:

- support the request by entering into another three-year funding agreement at \$35,000 per year (the multi-year funding agreement template is attached for reference);
- enter into another multi-year funding agreement for a term other than three years at \$35,000 per year;
- enter into a multi-year funding agreement for a specific term and value as determined by Council;
- approve support for 2020 only, with a value determined by Council; or
- not support Ribfest through the Festival and Special Event Assistance Program.

Council direction is requested.
