# We deliver for municipalities

FCM has secured **unprecedented tools and influence** for municipalities of all sizes—so they can build better lives for Canadians.

- ▶ The doubling of this year's **federal Gas Tax Fund transfer**, with an additional \$2.2 billion to get local projects off the ground faster.
- ▶ The **\$180-billion federal infrastructure plan** to support critical upgrades to roads, bridges, recreation centres, wastewater systems—and more.
- ▶ Canada's first-ever **national housing strategy**, including key commitments to repair and build affordable housing across the country.
- ▶ A **strengthened seat at the table** through unprecedented engagement with federal, provincial and territorial ministers, as well as opposition leaders and the Prime Minister.
- ▶ The **\$2 billion rural and northern infrastructure fund**, with higher federal contributions and commitments to streamline project administration.
- ▶ A **10-year federal transit plan**, with direct allocations that put municipalities in the driver's seat—from project selection to delivery.
- ▶ Better access to **high-speed broadband Internet** through significant investments in bringing connectivity to every community.
- ▶ Nearly \$1 billion for **Green Municipal Fund** leadership on energy efficiency, as well as new capacity-building programs on asset management and climate innovation.
- ▶ Key **Election 2019 commitments**—from getting more infrastructure and transit projects built to bringing a rural lens to federal programs and policies.
