Why this request ?

FCM

- Transformation of the economy
- Need to diversify the revenues of municipalities
- Need a link with the evolution of the digital economy

Significant expenses...

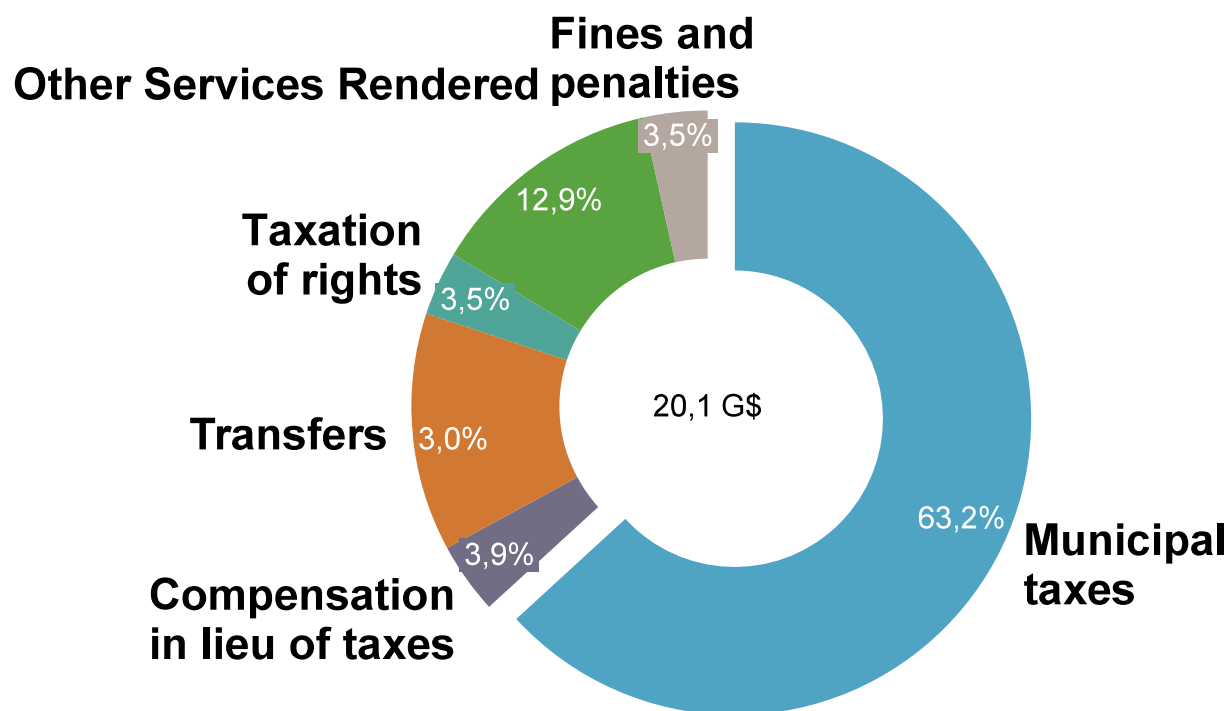

...which are constantly increasing

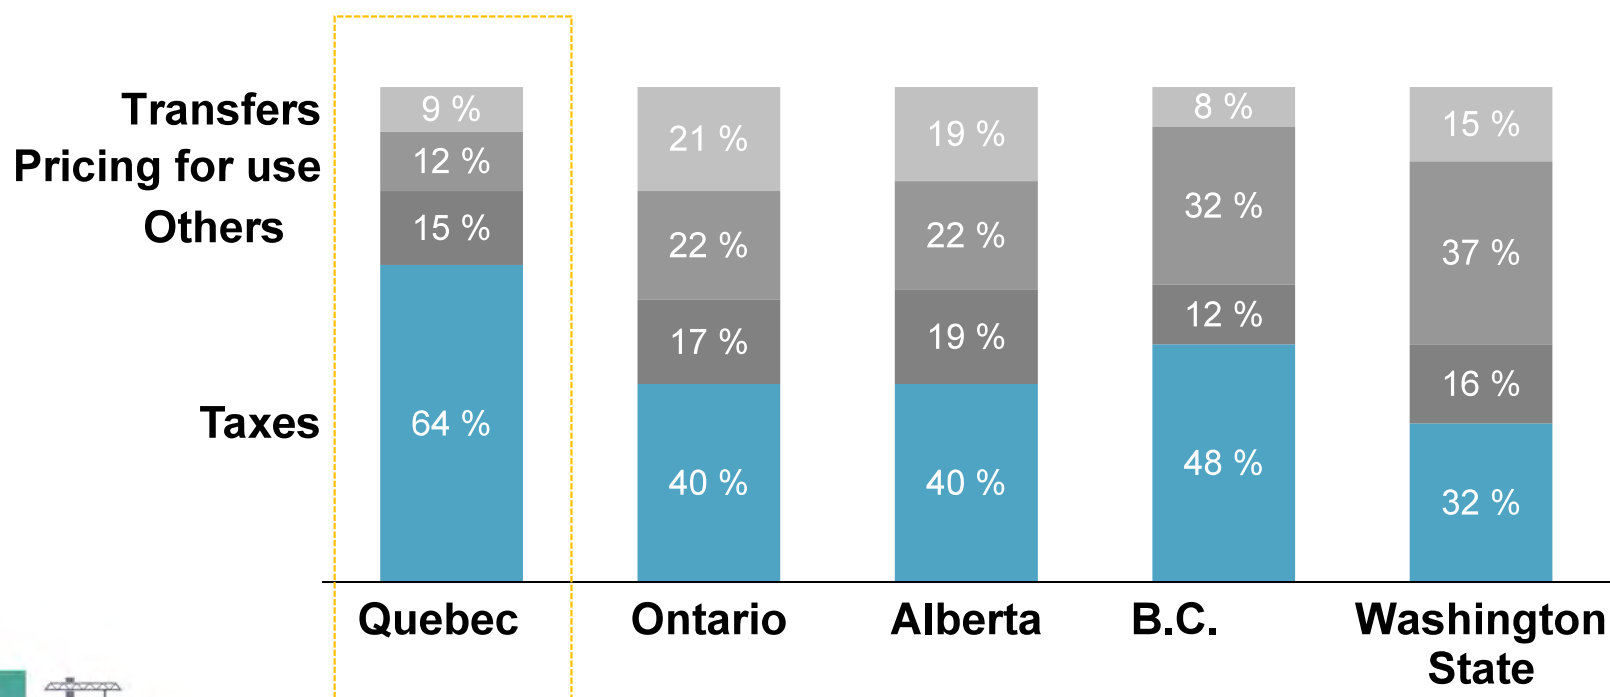

- Fight against climate change
- Public security
- Infrastructure
- Etc.

Revenue greatly dependant on property taxes

...which lead municipalities into a tax impasse

A politico-economic context in motion

- A new government in power
- A very favorable economic situation
- Unprecedented budget surpluses

Rigorous planning
