## Policy

The General Manager of Engineering and Operations is authorized to approve the installation of Little Free Libraries on City Roads.

The General Manager of Environment and Parks is authorized to approve the installation of Little Free Libraries in City Parks.

## Definitions

**Little Free Library** – a box that is installed on a post and is filled with books which are accessible to the public. Little Free Libraries create a gathering spot for local residents, promote the sharing of books, and provide an artistic addition to the public realm.

**City Roads** – the land under and adjacent to roads, or under unopened roads, that is under control and administrative authority of the City.

**City Parks** – land owned by the City that is dedicated, zoned, or otherwise functionally used and maintained as a public park by the City.

## Monitoring/Authority

Authority for approving and monitoring Little Free Library installations under this policy is delegated to the General Manager of Engineering and Operations and the General Manager of Environment and Parks.
