Subject: Ioco Bridge Rehabilitation

Purpose
To provide Council with information regarding a resolution passed by the Heritage Commission requesting support for the rehabilitation of Ioco Bridge.

Recommended Resolution

THAT the report dated May 19, 2020 from the Heritage Commission regarding Ioco Bridge Rehabilitation be received for information.

Background
At the May 14, 2020 Heritage Commission meeting, the Commission received an update on planning for the Ioco Townsite 100th Anniversary Celebrations and learned of the current condition of Ioco Bridge. The Committee passed the following resolution:

\[HC020/009\]
THAT Council support the rehabilitation of the Ioco Bridge on behalf of the Heritage Commission.

Discussion
The Ioco Townsite 100th Anniversary celebrations are scheduled for 2021 and will include ferry rides, movies, a walking tour of the Townsite, and the creation of a legacy book detailing the stories of the families that lived at the Townsite. The Ioco Townsite 100th Anniversary Community Committee was hoping to include the history of Ioco Bridge and the unveiling of its rehabilitated state at the Anniversary Celebrations but was unable to apply for capital funding. The Commission noted that this is an opportunity for the City to contribute to heritage by supporting the rehabilitation of Ioco Bridge. It was further noted that Ioco Bridge is still in use and should be inspected for structural integrity as a safety precaution.
