

Civic Award – Climate Action Criteria

PURPOSE

The Climate Action Award recognizes individuals, community groups, schools, organizations, and businesses that advance the goals and objectives of the City of Port Moody's Climate Action Plan.

CRITERIA

The Climate Action Award is presented to an individual, community group, school, organization or business that advances the goals and objectives of the Port Moody Climate Action Plan. Nominees are evaluated on their demonstrated achievement one or more of the following categories:

- Greenhouse Gas Emission Reduction/Elimination (eg. Home energy retrofit)
- Renewable Energy Transportation (eg. Car-free family)
- Climate Change Resilience (eg. Passive house, flood-proof house, food security)
- Renewable Energy Demonstration In Use
- Volunteerism and Engagement
- Climate Change Education and Outreach
- Other projects or activities that may align with the Port Moody Climate

ACTION PLAN

The Port Moody Climate Action Committee accepts and reviews nominees and makes their recommendation to Council. The project, initiative or achievement must take place in Port Moody and can be initiated by an individual, organization or business. Nominees do not need to be Port Moody residents or business owners.
