Request to Appear as a Delegation

I hereby request permission to appear as a delegation before Port Moody Mayor and Council with reference to the following topic:

Coquitlam Search and Rescue request to present to the Mayor and Council about our organization – what we do, how we service Port Moody residents and more. Our team is called out to various search and rescue missions and we want to provide you with an overview of our services our volunteers do in your community.

We are asking council to consider having a council member as a point of contact for Coquitlam Search and Rescue. Someone we can provide updates to, answer any questions – essentially having an opportunity to have an ongoing partnership with the City. We feel this is something that will greatly benefit both of us since we are seeing an increase in search and rescue requests we feel the city should be kept up to date on this as well as if we see trends we can work together to develop strategies to address them.

We are fortunate to have the annual and ongoing financials/in-kind support of the City of Coquitlam. The City of Coquitlam supports our organization by providing storage/training and meetings space for our vehicles and volunteers, repairs to our rescue vehicles etc. We are reaching out to all the communities in which we serve to request annual financial and in-kind support for our volunteer organization.
