# PORT MOODY POLICE BOARD 

TO: Mayor and Council<br>FROM: Port Moody Police Board<br>RE: Port Moody Police Board 2021-2025 Financial Plan<br>DATE: $\quad 5$ November 2020<br>CC: Paul Rockwood, General Manager Financial Services<br>C Cst. Dave Fleugel, Kim Tsok, Budget Officer

The Port Moody Police Board is pleased to present the Provisional 2021-2025 Financial Plan.

The 2021 provisional operating budget has been prepared at $\$ 11,802,228$ and is an increase over the 2021 budget allocation by $\$ 197,414$.

The percentage increase over the 2020 budget is $4.33 \%$.

The budget is based on receiving the anticipated amount of provincial traffic fine revenue for the year.

Notes
[1] The decrease in allocation from City Surplus for the employer health tax is offset by an increased budget allocation in 2021. The employer health tax effectively has no impact on the surplus/deficit for the police budget. The city is phasing in the tax impact of the employer health tax over 3 years. The employer health tax for police for 2021 is projected to be approx. $\$ 156,000-$ to fund this increase, our budget allocation increased in 2019 by $\$ 45,566$, in 2020 by $\$ 52,118$ and the remainder in 2021. Because the budget allocation is being increased over three years (vs. all in one year), the City provided funding from City Surplus for the budget years 2019 and 2020 to ensure no net impact on our budget.
[2] In addition to the operating budget savings as a result of the organizational restructuring there is also an anticipated capital expenditures savings of $\$ 5,200$ each year.
[3] City Mandate 2020 Budget $+2 \%+\$ 12 \mathrm{~K}$ in COVID reductions + Employer health tax funding $=\$ 292,909$ (Tax increase $.63 \%$ )

## 2021-2025 Five Year Financial Plan <br> PMPD Police Department

The Port Moody Police department is established at 52 sworn police members and 15 civilian staff. The department also has several auxiliary civilian staff members and utilize these employees in a part time capacity, as and when required, generally within the Administration Division.

The department is responsible for maintaining order, keeping the public peace, preventing crime, enforcing statutes, investigating provincial and federal laws and enforcing the criminal code of Canada. The department is governed by the Port Moody Police Board. The Police Board, in consultation with the Chief Constable, determines the priorities, goals and objectives of the department. The Police Board also approves all department policy and approves the budget for the PMPD.

The PMPD consists of the following divisions:
Operations Division (Patrol), responsible for maintaining order, preventing crime and enforcing laws and is the largest and most visible section of the department. Patrol officers work 24/7 and wear a standardized police uniform and drive fully marked police vehicles. Patrol officers respond to every call for service and investigate complaints.

Operations Division (Road Safety Unit or Traffic Section), responsible for working with the community to identify problem areas to reduce harm and non-compliance to the Motor Vehicle Act. Members also work with Commercial Vehicle Safety Enforcement officers and the City of Port Moody Engineering Department on citizen complaints and design issues.

Operations Support Division, responsible for forming multi-disciplinary teams with police expertise in mental health, youth liaison, and community volunteer programs along with media liaison. The division includes uniformed officers in the Community Services Section (CSS), Major Crime Unit, Community Action Team, Crime Analysts, and Victim Services.

Administration Division, responsible for supporting the entire department utilizing mainly civilian (CUPE) employees who work to manage the operation of the cell block, exhibits, vehicle fleet, file records, transcriptions of statements, court liaison, IT services, and finance. Police members within Administration include Officers on the Senior Management Team along with training, recruitment, and policy coordination.

Integrated Teams, responsible for highly specialized policing duties. The PMPD participates in regional teams and have members embedded into the regional homicide team (IHIT), the regional police dog team (IPDS) and also the regional Emergency Response Team (ERT). In 2021, PMPD is planning to join the integrated forensic identification service (IFIS). These specialized teams operate throughout the metro Vancouver area. Many of the other independent municipal police agencies also second members to these teams and utilize their expertise when required.

## Division Priorities and Key Initiatives

The Port Moody Police are responsible for public safety within the City of Port Moody. The department's main priority is crime prevention, the detection and investigation of crime along with enforcement of the criminal and provincial law. The PMPD are heavily involved in dealing with and assisting vulnerable populations within the city. Persons affected by untreated mental illness, missing persons, those affected by poverty and homelessness, along with substance use, continues to be a priority for police. Frequently, police interactions with these vulnerable sectors do not relate to any criminal investigation but are related to general social issues.

The PMPD are committed to reducing crime through targeted enforcement of prolific offenders. High police visibility is also a key initiative as it relates to patrols of the Evergreen Extension and within our parks and at community events. Finally, road safety is also a key local priority for the PMPD. This includes the detection of impaired drivers involving alcohol or drugs along with the enforcement of by-laws and the Motor Vehicle Act.

## GOAL \#1 - MAINTAIN A SAFE AND ENGAGED COMMUNITY

| Ensure timely, <br> effective response | Strengthen delivery <br> of policing services | Increase community <br> engagement and <br> outreach | Address emerging <br> public safety issues <br> and concerns |
| :---: | :---: | :---: | :---: |
| GOAL \#2 - STRENGTHEN ORGANIZATIONAL CAPABILITIES |  |  |  |
| Maximize <br> organizational <br> effectiveness | Enhance employee <br> wellness | Optimize training <br> and development | Increase governance <br> effectiveness |

## Detailed Service Vision

Public health emergencies like COVID-19 create unique challenges for police departments and result in additional policing responsibilities for enforcement of public health orders along with extra costs for PPE to keep police members safe and protected. The 2021 budget does not reflect any added costs related to COVID-19. If COVID-19 continues throughout 2021 there will be additional costs incurred for enhanced cleaning for the building and PPE supplies as well as decreased front counter revenues related to fewer criminal record check requests. Police members are at a heightened risk of exposure to COVID-19 due to their close contact with members of the public. If police members are exposed and required to self isolate this could result in increased overtime costs for the department that have not been quantified at this time due to their uncertainty. The additional costs will be partially offset by decreased travel and conferences and community related event spending as well as decreased guard wages for the cell block. The net cost impact (excluding potential overtime costs if members are required to self isolate) is estimated to be approximately $\$ 30,000$. The department is not requesting additional budget for these potential costs at this time.

## Budget Highlights

The 2021-2025 Financial Plan includes the required expenditures to deliver the necessary programs and services to the community. The 2021 budget plan maintains the current level of service for policing in the city. The department faces cost pressures, the majority of which are nondiscretionary in nature.

Proceeds from traffic fines and growth allocation represent $86 \%(\$ 944,000)$ of the total police revenues.
Salaries and benefits represent a significant portion of the annual operating expenses at $\$ 9,976,000$ (77\%). When the projected cost of living and benefits increase (collective agreements) exceed the budget targets it makes it challenging to meet the target without a cut in service level.

Consulting and professional services, $9 \%(\$ 1,120,000)$ of the total operating expenses, consist of quarterly EComm dispatch charges, integrated teams, internal audits, and other outsourced police services.

Equipment and vehicle expenses represent $6 \%$ of the annual operating expenses at $\$ 737,000$. This includes prime user fees, maintenance, insurance, and lease costs.

Government payments related to E-Comm for user fees for radio and equipment levy represent $2 \%(\$ 236,000)$ of the annual operating budget.

Recoveries at $2 \%(\$ 245,000)$ of the overall budget consist mainly of transfers to the Facilities department for building maintenance as well as HR services.

All other operating expenses, include training and development, firearms, uniforms, communications, janitorial as well as community related represent $4.5 \%$ of the overall operating expenses at $\$ 589,000$.

| Police - Budget Summary | PLN 2021 | PLN 2022 | PLN 2023 | PLN 2024 | PLN 2025 |

## Notable Changes

The 2021 Budget has increased by $\$ 490,325$ over the prior year budget. The increase is primarily related to salaries and benefits which increased by $\$ 308,000$, an increase in operating expenses of $\$ 136,000$ and a decrease in revenue by $\$ 46,000$.

Salaries and benefits have increased over the prior year largely due to nondiscretionary items such as the anticipated cost of living increases, benefit increases, and police member increments.

PMPD has made some important strategic organizational restructuring changes that will position the department for the future which have resulted in a small cost savings. These strategic changes include joining the regional Integrated Forensic Identification team, adding in house human resources support by reconfiguring and reducing the crime analyst position, creating a Business Systems Manager position to manage upcoming critical projects along with overseeing civilian staff. This was accomplished with the savings realized from joining the Integrated Forensic Identification team as well as the savings realized by the new provincial funding for the Integrated IHIT team. These strategic changes have resulted in a net savings of approximately $\$ 9,000$.

Operating expenses have increased primarily due to inflation. The other notable increases were related to increased legal fees as well as IT related costs that include new anti-virus software, cyber security training and net motion licenses to allow staff to work remotely.

Revenues have decreased over the prior year due to employer health tax no longer being funded through surplus in 2021. The budget envelope was increased in 2021 for EHT to offset the decrease in revenue.

Revenue decrease - primarily related to EHT no longer being funded from surplus (offset by increase to budget envelope funding for EHT)
Salary and Benefit increase
Operating Expense increase
