Name of Delegation: FortisBC

Name of Primary Contact Person: Darin Wong

Name(s) of Delegation Member(s) in Attendance:

Darin Wong - Community and Indigenous Relations Manager

Purpose of Delegation:

Our presentation will cover two topics - our 30BY30 plan to reduce our customers' GHG emissions by 30% by the year 2030 and our Energy Pathways Report which compares and contrasts two pathways for achieving the province's 2050 GHG emissions reduction targets.

Details of Request:

The title of the presentation is "Rethinking BC's lower carbon future - FortisBC's vision for lowering BC's GHG emissions while meeting BC's energy needs".

We have prepared a PowerPoint presentation with seven slides that will be delivered in approximately 5 minutes (this presentation can be shared ahead of time). The material covered in the presentation is a high-level summary for the community of information that we have on our website about what FortisBC is doing to help meet BC's GHG emission reduction goals. This information can be found at the following address:
